2022

The AAOHN Foundation continues to operate to fulfill its mission thanks to the generosity of our AAOHN members and faithful sponsors. 2022 was a challenging year for the AAOHN Foundation due to challenges pertaining to the pandemic, including having a virtual National conference. We were able to support members in their personal and professional growth and development and academic advancement through the offering of scholarships which were used in 2022. With your continued support, the AAOHN Foundation will provide more services to members to advance their personal, professional and leadership development, improve practice and worker health outcomes, and support research advancement and innovation. We experienced a decline in scholarship applications for 2022 and anticipate an increase in 2023.

Fundraising Activities - 2022 National Conference

Commemorative Lapel Pins – *Sponsored by AAOHN Foundation* – A special thank you to Troy Burd, PAAOHN President for creating the pin design. Troy had an active design team that came up with the concept and design. Their work resulted in a memorable pin to celebrate our members with the message “Coal Miner History”. The pins were promoted during the virtual conference and through the newsletter and e-blasts. Members were delighted for the bundle purchase of pins from 2020 and 2021. Thank you for purchasing the Foundation pins and contributing to generating \$1,380 in revenues which will support the development of AAOHN members and the field of Occupational and Environmental Health Nursing. Good news!! Pins remain available for purchase on the Foundation website: <https://www.aohn.org/AAOHN-Foundation/Make-a-Contribution> and will be available during the upcoming National AAOHN Virtual Conference.

Membership Donations – The foundation is grateful for the ongoing support of our membership. Thank you for your generous donations of \$1788.

AAOHN Fellows Leadership Circle – Our Fellows continue to lead AAOHN by contributing to the Foundation so that their colleagues can attend conference, continue their academic education, or advance research which contributes to support the profession of Occupational and Environmental Health Nursing. Thank you for your continued contribution to the Fellowship Circle which contributed \$1,750.

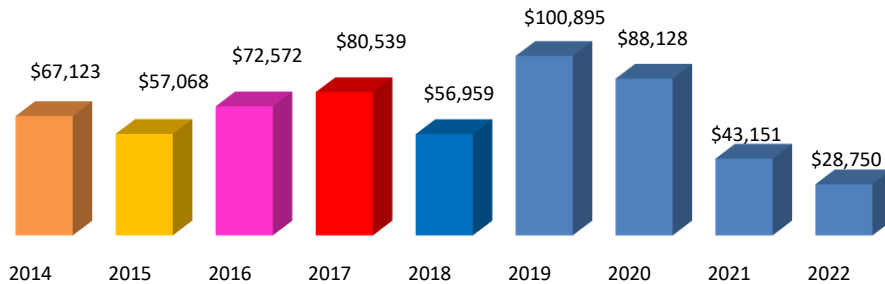

The AAOHN Foundation recognized the enormous commitment you all made during the pandemic. During the 2022 Virtual National Conference the AAOHN Foundation was pleased to offer a free continuing nursing education wellness session promoting the importance of self-care. This program was well attended and received many great comments. Without the support of AAOHN members, chapters, and sponsors, the AAOHN Foundation cannot continue to pursue its purpose, which is to ensure that occupational and environmental health nurses grow and develop their career, practice, and research as they work toward improving the health and safety of the nation's workforce and worker communities.

Respectfully submitted,

Stephanie Weinsier,
Chair, AAOHN Foundation

AAOHN Foundation 2022 Financial Report

Foundation Growth Contribution

The Foundation saw a decrease in giving during 2022. We experienced a 54.64% decrease in contributions from 2021. Overall, the Foundation collected \$28,750 in contributions for 2022 due to inability to host usual fund-raising events through the virtual conference platform.

Non-profit Comparable Information Ratio Analysis

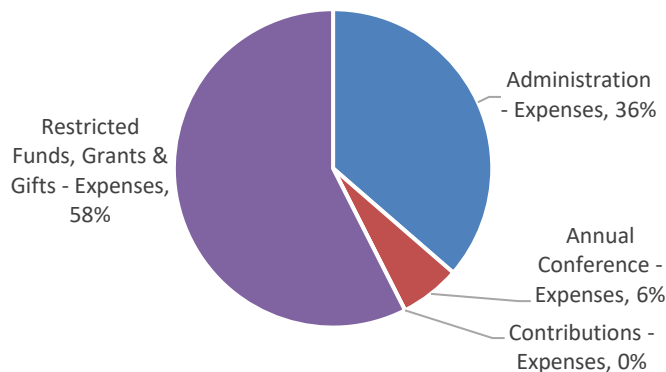

Percent Spent on Charitable Purpose is 60%

■ Charitable Expenses ■ Non-Charitable Expenses

In 2022, 64% of all Foundation expenses were considered charitable, meaning those expenses paid to AAOHN members as scholarships and grants. The other 36% were considered non-charitable expenses such as consulting, storage fees, bank fees, tax filings, postage and funds not recovered

2022 Functional Expenses

The AAOHN Foundation received \$28,750 in gifts, grants, and contributions from donors in 2022. Due to pivoting to a virtual conference plan, the Foundation was unable to host the usual fund-raising events. The Foundation did provide an educational program at no cost to attendees in recognition of their work through the pandemic. The Foundation ended 2022 with \$28,750 in revenue, \$44,354 in expenses for a net gain of \$15,604. In 2022, the Foundation had a spending ratio of 64%, meaning that 64% of all expenses were awards for educational scholarships and scientific research, while 36% were spent on administrative expenses, 6% on the annual conference and 0% towards contribution expenses.
