

AAOHN Corporate

Membership

Passion • Care • Work-Life Balance • Advocacy • Flexibility

The American Association of Occupational Health Nurses (AAOHN) is pleased to offer corporate membership to qualifying organizations.

Overview

Business organizations and hospital systems that employ occupational health nurses or who are interested in occupational health nursing and have over 10 current and/or potential members are eligible for the corporate membership.

Program benefits include:

- **Price reduction** — The more members you enroll, the greater the discount on membership rates and products.
- **Ease of joining** — Employer will pay one flat rate and employees sign up on the AAOHN website using a discount code that allows them to join.
- **Full member benefits** — Employees receive access to all AAOHN member benefits, including free monthly webinars and the *Workplace Health & Safety Journal*.
- **Group discounts** — Corporate members are eligible for group registration discounts for the AAOHN National Conference.
- **Complimentary access** — Corporate members receive complimentary access to the Workplace Violence Prevention Program series, normally \$120 per member.
- **Special offers** — Receive discounted rates on the Leadership Institute, NP Boot Camp and the COHN Review Course.

Fee Structure

Corporate rates will be tiered based on amount of employees.
