

AAOHN Foundation

Dear Partner,

The [American Association of Occupational Health Nurses \(AAOHN\) Foundation](#) 501(c)(3) nonprofit organization, is dedicated to supporting occupational and environmental health professionals in their efforts to protect workers by preventing workplace illnesses and injuries. Through sponsorships and fundraising, we provide grants and scholarships that advance professional education, leadership development, and research initiatives in the field of occupational and environmental health nursing.

AAOHN is nationally recognized as a leader in occupational and environmental health nursing. Since its establishment in 1997, the Foundation has carried forward AAOHN's mission by expanding resources that strengthen and support this vital specialty. Your sponsorship directly benefits occupational health nurses and contributes to the growth and development of professionals who protect the health and safety of today's workforce.

We would be honored to have you sponsor a scholarship or grant this year. Whether you are a returning partner or a first-time supporter, we are grateful for your commitment. The annual [AAOHN National Conference](#) offers excellent opportunities for visibility and engagement with AAOHN members. We look forward to connecting with our individual and corporate partners at the 2026 Conference--- **April 26-28, 2026 in Orlando, FL at Rosen Shingle Creek**. Sponsoring a grant or scholarship and this is an impactful way to support occupational health nurses and advance the profession.

Year-round sponsorship and donation opportunities are also available. All contributions are tax-deductible, and many employers offer matching gift programs. We encourage you to visit our [Foundation webpage](#) to [contribute](#), participate in conference fundraising events, or make a donation in honor of a colleague, mentor, friend, or family member. Chapters are also welcome to partner with us in supporting the professional development of others. If you are interested in funding a scholarship or grant, please contact our Executive Director, [Catherine Pepler](#), at AAOHNFoundationHQ@gmail.com

Thank you for your continued support of the AAOHN Foundation and the field of occupational and environmental health nursing. We look forward to partnering with you and seeing you at the AAOHN National Conference!

Warm regards,

AAOHN Foundation Trustees

AAOHN FOUNDATION

2026 FOUNDATION SPONSORSHIP OPPORTUNITIES

The AAOHN Foundation, a 501(c)(3) tax-exempt organization founded in 1997, supports occupational and environmental health professionals in improving worker health and safety by:

- Funding professional development scholarships
- Awarding research grants focused on preventing workplace illnesses and injury

The Foundation acts as both a vital source of funds and a stimulus for substantive work to solve today's worker health and safety issues. Supporting the Foundation ensures continued advancement in workforce health and safety and expands essential resources for occupational and environmental health professionals.
